

SHUT OUT!

Defences hold firm as all three teams keep clean sheets

Congratulations to all three teams who all kept a clean sheet on the last weekend in January – the first time that has happened (we think).

The under-12s are back up to third and still have a great chance of securing promotion. The under-11s and under-13s consolidated their mid-table positions.

Don't forget you can keep up-to-date with the latest developments in the Oxford Mail Boys League via www.oxfordmailboysleague.org or in the Oxford Mail on Wednesdays. We are working hard to ensure there are match reports for as many of our games as possible.

Presentation night help
We've started collecting raffle prizes for this year's presentation night is on 17 May. You can make donations to Mel Beesley via the clubhouse on training nights or call him on 520366.

Looking to the future
We have had to suspend the under-8s team due to a lack of players. We are building links with local primary schools to help us relaunch this and other age groups in the autumn.

Wemb-er-ley! Wemb-er-ley! We're the famous Saxton Rovers and we're going to Wemb-er-ley...!

You should by now have received a letter about a planned trip to see England's under-18s take on Scotland at Wembley Stadium on 26 April. Tickets cost £20 plus transport. If you want to go but have not yet returned the form and £10 deposit per person please give it to a committee member in the clubhouse on a training night as soon as possible. If you've not yet seen the letter contact Martin Leaver (details below) for a copy.

Dates for your diary

Saturday 26 April
England v Scotland u18 match, Wembley stadium

Saturday 17 May
Presentation night, Abingdon United FC. Details tbc

Party goes down well

More than 30 players took part in the Christmas/New Year party at Oxford Laser Tag. The more natural, darker and muddier venue went down well with almost everyone. After two years of laser tag parties we will be looking for new ideas for Christmas 2008.

Have your say

The Saxton Rovers FC Youth Section committee currently meets on the first Monday of every month. If there's something you'd like discussed or have an idea you'd like to share, contact a committee member. Contact details are in the handbook or on the website at: www.saxton-rovers.com/committee.html
