**Saturday 26 April**  
England v Scotland under-18 match, Wembley stadium

**Saturday 17 May**  
Presentation night, Abingdon United

*The Tesco Sports vouchers you collected helped us get some cricket and rounders kit to use at summer events.*

# ON THE PITCH

**The under-11s** have completed their league programme having somehow managed to avoid any postponements all season. Their final position is not yet certain but they are looking at a solid mid-table spot. They are looking forward to their tour to Bournemouth on 2-5 May.

**The under-12s** face a busy end to the season – but there is still much to play for. If they win their remaining five fixtures they will clinch promotion back to the A-League. You can follow their progress at [www.oxfordmailboysleague.org](http://www.oxfordmailboysleague.org) or in the Oxford Mail sports pages on Wednesdays.

**The under-13s** have a couple of games left and are already planning for next season. They are looking for new players to strengthen their squad.

## Tournaments

We are finalising the tournaments we plan to enter over the summer months and will let you know them through Rovers' Return, our website and the clubhouse noticeboard. We anticipate entering a similar number as last year. Please remember that tournaments are the only games during the year where we ask for a financial contribution from each player.

## Oxford Mail team photos

An Oxford Mail photographer will be taking photos of all three teams at the start of training on Thursday 3 April.

This will be the first time that all three age groups are back training on the same night.

All players should come wearing their home kit. Please try not to be late.

The photos will be published in the latest Boys League handbook due to be published in the summer.

# OFF THE PITCH

## Wembley trip

About 60 people will be going to Wembley for the England-Scotland under-18 international on 26 April. We will fill a coach. Full details to be sent to all families who have bought tickets. Outstanding payments can be given to your team manager. **We have two spare tickets - £30**

each including coach travel (£20 each if you make your own way there). Contact Martin Leaver (details below).

## Societies day

We will have a stand at the Societies Day at Abingdon Guildhall on 5 April. If you can help run the stand please contact Tim Baker, Chairman, tel. 203777.

## Presentation night

Tickets will be available shortly for our presentation night on 17 May. The individual trophies look fantastic and we are close to securing a special guest to rival last year's double act. Don't forget we still need lots of raffle prizes. You can leave them in the clubhouse on training nights.
